

QUALITY POLICY

TESISQUARE® believes that quality is a competitive advantage in line with market and clients' expectations. Pursuit of excellence and continuous improvement are essential drivers for achieving customer satisfaction and loyalty.

We foster the following approach:

- structured, pervasive in internal and external processes, embedded in our company culture;
- designed to be flexible, pragmatic to generate return on investment in terms of cost avoidance;
- requiring people's involvement and commitment to continuously improve the model;
- adopting a core principle of "we do what we say we will do".
